

**BACKFLOW PREVENTION DEVICE TESTERS
(Partial List)**

TCR Rooter	928-773-4905
Mountain High Plumbing	928-774-3593
Morning Dew Landscaping	928-779-3125
Doug & Charlie's Plumbing	928-600-0941

Testing must be performed by a Backflow Tester certified by an authority approved by the Arizona Department of Environmental Quality. Although DPW is providing a partial list of certified testers we do not recommend any one company and cannot be held responsible or liable for actions of these testers as they are independent contractors.

Completed backflow assembly test forms must include all relevant information and the testers:

- Certification number and expiration date
- Test gauge serial number and calibration date
